Bihar Panchayat JE Exam: Preparation Tips

It will be up to each candidate to create their own schedule and preparation plan. Get past exam papers and take practice mock tests according to your position of choice. Make advance plans. To finish the complete syllabus before the test, you must begin your study early. You have more time for evaluation if you prepare ahead of time. Do not forget to edit each topic once you have finished it. Till the day of the exam, thoroughly go over your material every day. The candidates must go through some preparation tips which will help them in covering the topics easily. The subject wise preparation tips are given below:

- **General Knowledge of Child Care & Health:** Read books on basic child healthcare, Child care, maternity, and maternal care. Stay up to date on current events.

- General Intelligence: Regularly engage in activities involving logical reasoning and problem-solving.
- Reasoning aptitude: Practice frequently and concentrate on the core ideas of analytical thinking.
- Healthcare Discipline: Practice last year's exam questions and standard texts while carefully studying the foundational topics of health, family planning and adolescent lifestyle.
