

HSSC Canal Patwari Syllabus 2024

The Haryana Patwari written examination is divided into two sections, each with a specified weightage. Part I accounts for 75% of the overall marks, highlighting the importance of its content in the evaluation process. Part II, on the other hand, is weighted at 25% and focuses on extra areas required for a full assessment.

This exam focuses mostly on academic knowledge, assessing applicants on a variety of areas. For a complete and up-to-date understanding of the Haryana Patwari Exam syllabus, please see the table below.
