

MPTET VARG 3 Syllabus 2024

The MPTET Varg 3 syllabus 2024 has not been released yet, however it is expected to be the same as the previous year. According to the previous year's notification, the MPTET Varg 3 exam covers a variety of subjects, including language (Hindi and English), social science, mathematics, and child pedagogy development. With good planning, applicants can finish the syllabus and score higher than the MPTET Varg 3 Cut Off marks, ensuring selection. The table below presents the subjects, topics and subtopics which are included in the MPTET Varg 3 Syllabus
