RBI Assistant Syllabus 2024

The RBI Assistant Syllabus 2024 is available for download. If you want to outperform the competition, you must maximize the use of all available resources. You can acquaint yourself with the full curriculum by downloading the RBI Assistant Mains and Prelims syllabuses and taking notes on all relevant topics.

RBI Assistant Syllabus for Prelims

The RBI Assistant Prelims exam syllabus covers the following subjects: English Language, Numerical Ability, and Reasoning Ability. Candidates will have 60 minutes to solve questions from all of these subjects. So, this exam assesses not only a candidate's knowledge but also their speed and accuracy. The subject-wise RBI Assistant Prelims Syllabus is provided below for applicants to review.

RBI Assistant Syllabus for English

The exam authorities assess a candidate's command of the English language as well as their ability to respond quickly to questions. The English language syllabus covers topics such as comprehension, synonyms/antonyms, spelling correction, and much more.

Topics for English covered in RBI Assistant Syllabus	
Comprehension	Tenses
Subject Verb Agreement	Synonyms & Antonyms
Cloze Test	Spelling correction
Sentence Rearrangement	One-word substitution
Sentence Completion	Direct & Indirect Speech

RBI Assistant Syllabus for Numerical Ability

To master this exam, candidates must improve their speed because the questions can be time-consuming to solve. Candidates must practice numerical questions in a timed setting every day, as well as understand some methods and short forms for answering the problems as rapidly as possible.

Topics for Numerical Ability covered in RBI Assistant Syllabus	
Profit and Loss	Percentages
Data Interpretation	Mensuration 2D
Quadratic Equation	Interest
Number Series	Averages
Algebra	

RBI Assistant Syllabus for Reasoning

This is one of the most difficult themes covered in tests. Reasoning needs logical reasoning, which is why it can take some time. Candidates must practice time management to complete this section and avoid missing any questions.

Topics for Reasoning covered in RBI Assistant Syllabus	
Odd Man Out	Direction Based questions
Blood Relation	Seating arrangements
Coding and Decoding	Symbols
Analogy	Number Series

RBI Assistant Syllabus for Mains

The RBI Assistant Mains Syllabus includes five sections: quantitative aptitude, logical reasoning, English language, numerical ability (math), general awareness, and computer knowledge. Three of these five components - quantitative aptitude, logical reasoning, and English language - are the same as those in the RBI Assistant Prelims test, but with a higher level of difficulty.

RBI Assistant Syllabus for General Awareness

General Awareness is an additional topic on the syllabus. To perform well on this subject, candidates must stay up to date on current events and have a basic understanding of general statistics. The table below lists all of the topics included in the General Awareness curriculum for the RBI Assistant Mains exam.

Topics for General Awareness covered in RBI Assistant Syllabus	
History, Geography of India	Science
Socio-economic policy development	Current affairs and Politics in India
Indian Economy	Quantitative aptitude
State, countries, institutions	Human Right issues
Logical Reasoning	Books and Authors

RBI Assistant Syllabus for Computer Knowledge

This is a new subject, unlike the ones covered in the preliminary test. The RBI Assistant Mains exam will have a Computer Knowledge portion as well. To perform well in this area, candidates must be familiar with computer concepts such as MS Office, the Internet, operating systems, and computer history.

Topics for Computer Knowledge covered in RBI Assistant Syllabus	
History of Computers	MS-Office
Basics of Hardware and Software	Operating System
Devices	Internet
Virus and Hacking	Languages

RBI Assistant Syllabus for Language Proficiency Test (Phase 3)

The candidates who are shortlisted based on the main test are invited to the Language Proficiency Test, which is the final stage of selection. Candidates who are not skilled in the local language may be disqualified. The Language Proficiency Test is administered in the official/local language of the several states. The following are the expected local languages of each state.

Region	Language(s)
Ahmedabad	Gujarati
Bengaluru	Kannada
Bhopal	Hindi
Bhubaneswar	Odia
Chandigarh	Punjabi/Hindi
Chennai	Tamil
Guwahati	Assamese/Bengali/Khasi/Manipuri/Bodo/Mizo
Hyderabad	Telugu
Jaipur	Hindi
Jammu	Urdu/Hindi/Kashmiri
Kanpur and Lucknow	Hindi
Kolkata	Bengali/Nepali
Mumbai	Marathi/Konkani
Nagpur	Marathi/Hindi
New Delhi	Hindi
Patna	Hindi/Maithili
Thiruvananthapuram	Malayalam
